Make this summer a 4-H summer!

Chowan County 4-H has a variety of Fun and Educational activities lined up for youth of all ages this summer and even one adult class this year. Open up to see what we have to offer! Join us for an AWESOME 4-H SUMMER!!!!!!

**Chowan County 2010 4-H Summer Fun Registration Policy**

**PLEASE READ COMPLETELY!!!!!!**

1. A completed registration packet is required for each participant. Included in the packet is a registration form, a code of conduct sheet with signature form, a media release form, and medical release form (notary signature required - notary services available at the 4-H Office). All completed forms and registration fees will need to be returned by the registration deadline date listed on the following pages.

You may obtain the registration pack at the 4-H Office between our operating hours of Monday - Friday, 8:00 am - 5:00 pm. Please call the 4-H Office if you would like the forms faxed or emailed to you. We will accept registrations via mail or walk-in.

2. Registration is based on a first come, first served basis. Registration is not complete until all required forms are completed and fees are received. Youth who do not have these items turned in before the deadline date will be dropped from the register. **Workshop spaces will not be saved.**

3. Payments can be made with cash or check. Checks should be made out to “Chowan County 4-H” and sent to Chowan County 4-H, 730 N. Granville Street, Suite A, Edenton, NC 27932.

4. Please note the registration deadline dates. If a class minimum is not met by the deadline, the class will be canceled due to lack of interest. Refunds will be given only if the class is cancelled or is full when we receive your registration. If a class is full, your child will be placed on a waiting list.

5. Youth should not be dropped off earlier than 15 minutes prior to class start time and should be picked up no later than 15 minutes after the class ends. Neither class instructor nor the 4-H Staff will be responsible for your child other than the times stated for class time.

6. Class age range is important. Classes are designed specifically with age appropriate activities. Do not register a child if they do not meet the age requirements. Ages listed are state-required “4-H Age” (the age of the child on January 1st).

7. Adults required to assist participating youth may also have to pay registration fees to workshops and admission fees for trips. Workshop limits that are specified are for youth only. Due to space limitations for transportation, adults may have to drive their personal vehicle on field trips. We welcome adult volunteers to assist with the workshops. Those who are interested in volunteering are required by the state to fill out a 4-H Adult Episodic Volunteer Application.

8. We reserve the right to suspend your child from the program without refund should he/she becomes disruptive or violates the state-mandated Code of Conduct. If this happens, the parent or guardian will be called to pick up the child immediately.

9. Please direct any questions to the 4-H Agent or 4-H Program Assistant at 482-6585.
**Designates opportunities for Active 4-H'ers. Please call Ms. Chris at the 4-H Office to ask how you can join in on these special activities! 482-6585.**
