NC COOPERATIVE EXTENSION

Dear _____,

The Chowan, Gates and Perquimans Volunteer Master Gardeners are pleased to continue our scholarship opportunity. It will be awarded in the Spring of 2017 to help a student who plans to study or is currently studying in a qualifying field.

The main focus of our Master Gardener program is to enhance public education in consumer horticulture. As a natural extension of our program, we now offer a scholarship in the areas of horticulture, agriculture, natural resources or a related field. The financial backing for this scholarship is received from our annual Spring Garden Show, currently held at the Perquimans County Recreation Center. Since the show's inception, we have repeatedly received enthusiastic support from both the participating vendors and the general public.

Our scholarship, The Katherine G. Shook Master Gardener Scholarship, consists of a \$1,000 award. If a winner maintains a 2.5 overall GPA and a 3.0 GPA in the qualifying area of study, he or she is eligible to reapply for continued support.

Katy Shook has been the N.C. Cooperative Extension Consumer Horticulture Agent for Chowan, Gates and Perquimans counties since 2003 and has been instrumental in establishing and maintaining the Master Gardener program. Katy's leadership, knowledge and infectious enthusiasm has impacted our youth (Jr. Master Gardener Program and various elementary school programs) as well as countless residents within the three counties.

Our scholarship committee is looking forward to working with you. We hope you will help distribute information about the award and encourage qualified applicants to apply.

Sincerely,

Betty Onufrak, President

Nancy Dougherty, Scholarship Committee Co-Chair

Edna Harvey, Scholarship Committee Co-Chair

The Katherine G. Shook Master Gardener Scholarship
